

## LIMITED WARRANTY

### LAMINATE FLOORING

**BEL AIR's** quality laminate flooring has a warranty of 25 years not to wear through or stain in normal residential installations and use. This warranty applies only to the original purchaser and proof of purchase is required for all claims. The warranty is for replacement or refund of the laminate material only, no labor. The Warranty does not cover chipping (laminate will chip if sharp objects are dropped on it), warping (laminate will warp if excessive moisture gets into the boards) or bridging (which is caused by insufficient expansion spacing). We will not consider any claims for these problems. Claims for wear must show a minimum dime size area. The warranty is pro-rated based on the amount of time the floor has been installed. Humidity should not be allowed to drop below 30 % as it may cause gapping. If you wish to file a claim under warranty, contact the authorized dealer where the flooring was purchased.
